CONSTRUCTION

Labour Market Information

Our construction courses focus on a number of career paths, including brickwork, carpentry and joinery, civil engineering, electrical installation, painting and decorating, plastering and plumbing. Several of our courses allow you to work towards the higher and more specialist levels of your chosen career path, for example, a senior or management role or master craftsperson. These courses give you more technical and specific knowledge, as well as enabling you to practise and develop your industry skills.

Visit www.tmc.ac.uk or call **03333 222 444** for more information
