

FINANCIAL SERVICES

Labour Market Information

The Financial and Professional Services sector is the largest employment sector in Greater Manchester. It has shown strong growth over the past few years and is set to continue at this level. The sector offers a wide variety of career opportunities within industries such as banking, fund management, pensions and accounting, to name but a few. Additionally, this industry is often one of the first to use new technologies and develop new ways of doing business, meaning roles are continually developing.
