This policy is based on the 16 to 19 Bursary Fund Guide: 2018 to 2019, issued by the ESFA.

Purpose of the bursary

The 16 to 19 Bursary Fund was introduced in the 2011 to 2012 academic year. It is money the government has given to local authorities, schools, colleges and other education and training providers (institutions) to provide financial support to help students overcome specific barriers to participation, so they can remain in education.

There are 2 types of 16 to 19 bursaries:

- a **vulnerable bursary** of up to £1,200 a year for young people in one of the defined vulnerable groups;
- **discretionary bursaries** that institutions award to meet individual needs. For example, transport, meals, books and equipment.

Altrincham Grammar School for Girls will determine the eligibility criteria for discretionary bursaries, and the frequency of and conditions for payments for all awards. The 16-19 Bursary will only be awarded to a student that is eligible and facing genuine financial barriers to continuing participation in education.
