

Labour Market Information

Business is a broad area, leading to a huge range of careers. In Manchester, you're ideally placed to pursue one of these many careers thanks to the city being one of the two main centres for business, financial and professional services in the country (along with London). Additionally, there are also many opportunities for business professionals at Media City – including marketing, communications, online media and many more.

Visit www.tmc.ac.uk or call **03333 222 444** for more information
